Comments regarding questions 14 & 15:

(2015-2016) Identified (suspended) = 67 Students Served = 27

Comments regarding questions 17:

All grade levels participated in the K-12 non-curricula activities on a school-wide basis. Intervention and Cessation programs: Elementary students are referred to Anaheim Regional Medical Center (ARMC) Tobacco Cessation Outpatient Clinic and have committed to working with students at the elementary level on a one-on-one basis, as needed. Students in 7-12th grades are referred to the Alternative to Suspension Program - Pathways to Success held at the Gilbert West Campus

Comments regarding questions 19:

All populations are targeted for curriculum, however within non-curricula activities/events special effort is made to include higher risk populations such as: African Americans, American Indians and Alaska Natives, Asian Americans (in particular Korean, Vietnamese, Cambodian, and Filipino), and Pacific Islanders, and Hispanics/Latinos; Lesbian, gay, bisexual, transgender, or questioning (LGBTQ) populations; Military; Low socioeconomic status (SES); Pregnant Minors; Truant; Homeless; Foster Youth

Comments regarding questions 21:

Teen parents/pregnant teens within Anaheim Union High School District are identified by referrals from comprehensive school sites as well as self referrals. The TUPE School Site Advisor at Gilbert East alternative education center also serves as the District CAL SAFE coordinator. She assist students by individually meeting with them and providing them support services. TUPE Curriculum and non-curricula activities are also presented to these parenting/pregnant minors since the TUPE School Site Advisor is also the Health teacher at this campus.
