

# 2013/14 Tobacco-Use Prevention Education (T.U.P.E.) Competitive Grant Annual Report

## 1. Contact Information

Name: Sarah Singrin

LEA Name: Brentwood Union School District

Cohort: E                      Year: 2013/14

County: Contra Costa      Phone: 925-513-6316

Email: singrins@luhsd.net

## 2. Which of the research-validated or evidence-based programs listed below were implemented?

|   |     |
|---|-----|
| Botvin's Life Skills Training             | No  |
| Keepin' It Real                           | No  |
| Minnesota Smoking Prevention Program      | No  |
| Project Alert                             | Yes |
| Project Northland                         | No  |
| Project SUCCESS                           | No  |
| Project TND (Towards No Drug Abuse)       | No  |
| Project TNT (Towards No Tobacco Use)      | Yes |
| SPORT                                     | No  |
| State-Wide Indian Drug Prevention Program | No  |

## 3. Comments pertaining to question 2 are located in the appendix. (Optional)

# 2013/14 Tobacco-Use Prevention Education (T.U.P.E.) Competitive Grant Annual Report

4. How many students per grade participated in the program/s identified in question 2?

| Grade           | Number of<br>Projected<br>Students | Number of<br>Participating<br>Students |
|-----------------|------------------------------------|--|
| Grade 6         | 6                                  | 6                                      |
| Grade 7         | 9                                  | 9                                      |
| Grade 8         | 1,074                              | 1,074                                  |
| Grade 9         | 0                                  | 0                                      |
| Grade 10        | 0                                  | 0                                      |
| Grade 11        | 0                                  | 0                                      |
| Grade 12        | 0                                  | 0                                      |
| Non Traditional | 0                                  | 0                                      |
| Grade Total     | 1,089                              | 1,089                                  |

5. Comments pertaining to question 4 are located in the appendix. (Optional)

## 2013/14 Tobacco-Use Prevention Education (T.U.P.E.) Competitive Grant Annual Report

6. Which of the non-research-validated curriculum-based programs (e.g., LEA adopted health curricula, lessons addressing specific populations, etc.) listed below were offered to students in the general population?

| Program/Strategy Name                                  | Number of Participating Students |
|--|----------------------------------|
| Anti-Tobacco Media Blitz                               | 0                                |
| Blowing Away Big Tobacco's Big Lies                    | 0                                |
| Classroom Animation Studio Kit                         | 0                                |
| Decisions for Health Series                            | 0                                |
| Effective Youth and Adult Partnerships                 | 0                                |
| Enough Snuff   | 12                               |
| Guiding Good Choices – Families That Care              | 0                                |
| Hands Off Tobacco! Series                              | 0                                |
| Health and Wellness Series                             | 0                                |
| Personal/Social Lessons: The Missing Link              | 0                                |
| Project ABCD (Analyze, Beware, Create, Disseminate)    | 0                                |
| Project ALIVE! (Arts Leading Into Vital Education)     | 0                                |
| Project SCAT (Schools and Communities Against Tobacco) | 0                                |
| Something Stinks in Hollywood                          | 0                                |
| Stay On Track Series                                   | 0                                |
| Teen Health Course Series                              | 150                              |
| Teens Tackle Tobacco                                   | 0                                |

7. If a non researched-validated curriculum-based program not listed in the table above was offered, please specify the name of the program/strategy along with the number of projected and participating students in the boxes below.
-

# 2013/14 Tobacco-Use Prevention Education (T.U.P.E.) Competitive Grant Annual Report

8. Comments pertaining to question 6 are located in the appendix. (Optional)

9. Which of the non-curricula activities (e.g., Teens Kick Butts, Teens Kick Ash, poster contests etc.) listed below were offered to students in the general population?

| Program/Strategy Name           | Number of Projected Students | Number of Participating Students |
|---------------------------------|------------------------------|----------------------------------|
| Great American Smoke Out        | 3,100                        | 3,100                            |
| Red Ribbon Week (Tobacco focus) | 3,100                        | 3,100                            |
| Teens Kick Butts / Ash          | 0                            | 0                                |
| School-Wide contest             | 3,500                        | 3,500                            |
| Tobacco & Hollywood Campaign    | 0                            | 0                                |
| Mission Possible                | 0                            | 0                                |
| Youth Quest                     | 0                            | 0                                |
| Assembly Speaker                | 3,400                        | 3,400                            |

10. If a non-curricula activity not listed in the table above was offered, please specify the name of the activity along with the number of projected and participating students.

---

Jeopardy and Prize Wheel games were very popular again this year at school events, including Red Ribbon Week.

11. If you selected *School-wide contest* as a non-curricular activity, indicate the name of the contest:

---

Poster contest were used throughout the grant period to provide the opportunity of students to study the dangers if tobacco use and use creative ways to display this knowledge. Posters, door covers, and other competitions were very popular ways for students to study together, work as peers and challenge each other to make an effort to show good work.

## 2013/14 Tobacco-Use Prevention Education (T.U.P.E.) Competitive Grant Annual Report

12. If you selected *Assembly Speaker* as a non-curricula activity, indicate the name of the speaker:

---

Dr. DeNoble made presentations throughout Contra Costa County and also provided parent/guardian presentations that were attended by many Brentwood parents.

13. Comments pertaining to question 9 are located in the appendix. (Optional)

14. Which TUPE Specific Youth Development Activities (e.g., STAKE Act “stings”, local community tobacco control ordinance development/enforcement, media literacy, media production to counter tobacco industry influence) were offered to students in the general population?

| Program/Strategy Name  | Number of<br>Projected<br>Students | Number of<br>Actual<br>Students |
|--|------------------------------------|---------------------------------|
| Youth Involvement in Stop Tobacco Access to Kids Enforcement (STAKE) Act                   | 0                                  | 0                               |
| Other law enforcement sting operations to monitor tobacco sales to minors                  | 0                                  | 0                               |
| Youth Involvement in Anti-tobacco Advocacy   | 18                                 | 18                              |
| Media Literacy and Youth Media Production to Counter the Influence of the Tobacco Industry | 0                                  | 0                               |
| Tobacco use prevention Peer Educator   | 41                                 | 40                              |
| Tobacco use prevention focused Service-Learning Projects                                   |                                    |                                 |

15. If a TUPE Specific Youth Development activity not listed in the table above was offered, please specify the name of the activity along with the number of projected and participating students.
