Comments regarding question 19:

---

Referrals were down this year for our intervention program partly due to its success and partly due to parent hesitation to allow their middle school students to attend with high school students. This issue is being addressed in Year 3.

Comments regarding question 22:

Comments regarding question 24:

---

The ASCENT program is only funded in two schools under this grant. All identified students received information about the Smoker's Helpline but not all of them accessed the helpline.

Comments regarding question 31:

---

Except for general TUPE info, the numbers above reflect all the staff that have been trained under this grant, not just this year. The general TUPE info numbers are estimates because it was not possible to identify who was classified and who was certificated at presentations.

Comments regarding question 34:

---

Staffed TUPE outreach tables were present at Back to School nights at every middle and high school, so the numbers are estimates.
