Comments regarding question 2:

None

Comments regarding question 4:

Enrollment is in decline, and this year we struggled with the logistics of delivering the curricula to alternative and transition program students; we are working on that for next year.

Comments regarding question 6:

None

Comments regarding question 9:

There were many non-curricula activities but they were not funded by this grant and so are not listed here. Please let me know if they should be included.

Comments regarding question 14:

None

Comments regarding question 17:

The numbers above are estimates. We did not collect this information from students this year. How do you suggest that we sensitively ask their SES?

Comments regarding question 19:

None

Comments regarding question 22:

The number of students served is the number of students provided with information and resources about the Smoker's Helpline. I do not believe that every student used the resource.

Comments regarding question 25:

Several students served in school-based programs were also referred to county programs

Comments regarding question 27:

Again, the numbers above are estimates because I did not know I was supposed to keep track of everyone who received general TUPE information in outreach presentations.
