Comments related to Targeted Populations (Question 4)

Without sufficient funding for high schools, the only high school served was part of the Big Oak Flat/ Groveland Unified School District and all county elementary schools. In addition services were provided to the Tuolumne County Cal-SAFE program. The coordinator provided some support to other local high schools through the Friday Night Live programs and through special requests.

Question 5: Comments related to Training

County runs an annual County Health Fair. The coordinator organizes a booth and works with other agencies in presenting materials. It is difficult to estimate the number of parents involved at either school sites as coordinator did not keep specific records. It is believed because of the involvement in Friday Night Live and Challenge Days, the role of the coordinator is probably underestimated. The TUPE Program Coordinator resigned in June and a new coordinator is in the process of being hired to handle the balance of the grant.
