Question 5: Comments related to Training

While we only have "documented" evidence of 1214 students receiving TND lessons at 9th grade last year, not all teachers handed in their reports. We trained 20 staff members and distributed over 4,000 TND workbooks and we this number is much higher. We are increasing our efforts this year to get better documentation of TND lessons taught for 2010-11.
