Comments regarding questions 9-12:

Comments regarding questions 14-15:

More high school and middle school students opted to participate in activities, clubs and lessons focused on helping others stop smoking and tobacco use than have in the past. Many students are responding to the information they are learning through the TUPE grant regarding the dangers of hookah and e-cigarettes, which many of their families and peers think are harmless and/or non-addictive.

Comments regarding question 17:

There is no place to indicate our very large at risk Armenian and Middle Eastern populations who were served by this grant.
