Comments regarding question 2:

We implemented all curriculums with fidelity.

Comments regarding question 4:

The LCOE coordinated with AODS on providing the research-based curriculum to all of Konocti Unified's 6-12 grade students. The partnership allowed us to reach a larger number of classrooms, students and schools with more intensive efforts, projects and passion!

Comments regarding question 6:

Students chose to provide a media blitz about making Lake County a smoke free county. As part of this blitz, we held a poster contest for the younger ages (to involve all ages in the process), which Taco Bell in Lakeprot converted into placemats and served with all inside orders during the months of April, May and June.

Comments regarding question 9:

Our media blitz and poster contest were very popular as the students came up with the idea, formed a steering committee to implement (with a little assistance from staff), and were publicly recognized for their efforts and product(s).

We were able to stimulate student interest in involvement in the youth anti tobacco advocacy group. LCOE is partnering with the Harbor on Main and FNL to keep up student interest for future years!
