2014/15 Tobacco-Use Prevention Education (T.U.P.E.) Competitive Grant Annual Report

Comments regarding question 2:

This is a consortium grant. Only two members of the consortium, Birmingham Community Charter School and Glendora Unified School District used Project TND. Three members of the consortium, Learning Works Charter School, Mountain View School District, and Wilsona School District used Botvin's LifeSkills Training.

Comments regarding question 4:

Significant numbers of students at Birmingham Community High School and Glendora High School elect to take the required health education course during summer school. The shortened schedule of summer school precludes providing Project TND per fidelity guidelines.

Comments regarding questions 6 -7:

None of these programs were in the Scope of Work for this project

2014/15 Tobacco-Use Prevention Education (T.U.P.E.) Competitive Grant Annual Report

Comments regarding questions 9-12:

In the TUPE Tier 2 Grant Application Project Matrix, "Opportunities to participate" were not disaggregated by topic. 2000 students were projected to participate 2153 students did participate.

Comments regarding questions 14-15:

Students from Glendora High School submitted applications to participate in STAKE Act enforcement but were not accepted by the agency that coordinates the activities. Numbers reported in "Youth Involvement in Anti-Tobacco Advocacy" were not duplicated in "Tobacco use prevention focused Service Learning Projects" however the advocacy in which 1833 students were involved was project based. 410 of these students participated in advocacy projects that involved video production.

Comments regarding question 17:

Low Socio-Economic Status is a priority population not listed above; 1112 non-duplicated low SES students participated in these activities. Data for American Indian/Alaska Native, Asian, and Pacific Islander students were not collected as these were not priority populations for this project.
