Comments regarding question 4:

We did not use any non-research validated program.

Comments regarding questions 5:

Comments regarding questions 7, 8 & 9:

There are increased numbers for outreach by our Wellness Centers, and increased use of the pledge campaigns where students sign banners pledging to fight tobacco use and addiction.

Comments regarding questions 11 & 12:

2016/17 Tobacco-Use Prevention Education (T.U.P.E.) Competitive Grant Annual Report

Comments regarding questions 14 & 15:

We have doubled the number of student referrals in our program to 20%. This is a very hard-won statistic and we feel the movement is important. Also, though recruitment is still difficult we are increasing our numbers, and students in the program have very high retention rates (over 80%) and approximately a third of the student participants have requested more sessions, or have inquired about aftercare and possibilities for continued discussion.

Comments regarding questions 17:

TND is the research-validated curricula offered in 9th grade classes. Non-curricula youth development activities (outreach events, health fairs, advocacy, media projects, pledge drives, surveys), intervention programs (TEG) and cessation programs (TAP, Project EX, CA Smokers Helpline), are offered for all high school programs.

Comments regarding questions 19:

Our Hispanic student population is 78% and 9 % African-American. Programs are also targeted at the LGPT population which we estimate at 10%.

Comments regarding questions 21:

We developed a program to coordinate with school nurses which greatly increased our outreach to this group.

Comments regarding questions 23 & 24:

Additional funding has been used to increase training in cessation and addiction.

Comments regarding questions 26 & 27:

Comments regarding questions 29 & 30:

Our network of agencies includes our lead youth development partners: EduCare and arc. Support with community outreach, cessation activities, and special outreach (to parents, LGBT community, and communities in general) is supported by the LA Trust, LA City Attorneys Office, Courageous Hearts Youth Foundation, the Los Angeles County Public Health Department, the LA County Dept. of Parks and Recreation, and the UCLA Gay Student Alliance.

If you are the lead agency for a consortium, please list in the space provided below which districts in your consortium contributed to this report.
