15. If a cessation program not listed in the table above was offered, please specify the name of the program along with the number of students identified to be served and the number of students served in the space below. *(Please do not use acronyms)*

We also used the following Cessation Programs: Basic Freedom from Smoking, Lung Helpline, NCI Quitpal, 877-44u-QUIT, and Express Care Smoking Cessation.

There were approximately 92 referrals to these programs. Because of the online/phone nature of these programs we can only give you the number of students served if they have shared with us they have utilized the program and quit. The number appears to be small as compared to referrals but again these are the students that reported back to us, 21 students.
